Advisor citizen participation - Trondheim Municipality
- 09:50 ● **To be announced**
To be announced
- 10:05 Q&A
- 10:15 Closing words with chair Tobias Schauerte

Thursday 15. October

NERO

(Nearly zero energy buildings in Nordic countries)

Chair: Tero Hasu

- 08:25 Good morning with chair Tero Hasu
- 08:30 ● **ZEB laboratory Trondheim, built with ZEB-COM ambition to target price**
Berit Time
Chief Scientist - SINTEF
- 08:45 ● **Cost effectiveness and energy performance of prefabricated school and daycare centre**
Jarek Kurnitski
Adjunct professor - Aalto University
- 09:00 Interview
- 09:15 Coffee break
- 09:20 ● **Low rise timber frame buildings - costs and carbon footprint**
Endrik Arumägi
Senior researcher - Tallinn University of Technology
- 09:35 ● **Experiences from Växjö, municipality policy - guidelines for a green town**
Jan Johansson
Energy manager - Växjö Municipality
- 09:50 ● **General analyses of NERO-cases**
Nicola Lolli
Senior researcher - SINTEF
- 10:05 Q&A
- 10:15 Closing words with chair Tero Hasu

Friday 16.October

Architectural projects

Chair: Pasi Aalto

08:25	Good morning with chair Pasi Aalto
08:30	Designing futureproof wood buildings Reinhard Kropf <i>Architect - Helen & Hard</i>
09:00	Interview
09:15	Coffee break
09:20	Developing big solutions for small projects John Haddal Mork <i>Architect - Rallar Architects</i>
09:35	Topic to be announced Ville Hara <i>Architect - Avanto Architects</i>
09:50	To be announced To be announced
10:05	Q&A
10:15	Closing words with chair Pasi Aalto
